东莞市鼎万电器有限公司
DongguanTopman Appliances Co., Limited

Company Introduction

Topman was established in 2015 and located at Huangjiang town, Dongguan city, Guangdong province, China. We are a professional manufacturer in small appliances such as stand mixer, hand mixer, blender, Cotton Candy Maker, Popcorn Maker, Chocolate Fountain, air cooler, ceramic heater, humidifier, electric knife etc.

All Topman products are being produced according to latest Certification standards GS/ CE/CB/ UL/ FCC/ SAA/ LFGB. We emphasize on the quality of our products and ensure every process is well controlled.

After several years cooperation with great customers such as Black&Decker, Aldi, Lidl, Fagor, Kitfort etc. We have had enough experience to offer better service to our customers, just as our company principle: Topman provides you Top quality, Top service and Top values.

Now Topman has 150 staffs, 4 production lines and 9 R&D engineers to ensure that Topman has strong production capability and continuous products innovation. OEM and ODM are highly welcome. We will have prosperous business future with our joint effort.
